

voter outreach and education program

California Secretary of State Kevin Shelley invites your organization to help make sure that every vote counts in our state's elections this year.

about the program

The Primary Election will occur on March 2, 2004. All eligible California voters need to be aware of important deadlines and critical facts about this election.

This information packet is being sent to community-based organizations in California, to help you get the word out to your members about exercising their right to vote. Your group is a vital part of this program.

what's included

The enclosed information packet contains a flyer, a small ad and an op-ed article. The ad and article are suitable for newspapers and newsletters. To order more flyers, as well as Voter Registration Kits, complete and return this order form.
